BURGLARY

-18.3% (474 VS 580) Difference of 106

o Investigative Efforts + Community Engagement

o • Arrests in 2017- 105 ARRESTS (***Don't Say This*** 5 LESS THAN 2016)

o In 2017, Patrol, SLO's & Burglary Detective Team worked on better intake investigations, community engagement and print evidence….

o In the Hollywood Hills. Construction sites were visited by SLO's and provided with information on both burglaries and construction site thefts information.

Strategies Implemented:

o **Community Alerts, CRIME ALERTS, Partnerships with Neighborhood Councils and follow-up by Detectives contributed to reduction.**

o **Canvassing, obtaining video, training of young officers TO REQUEST PRINTS ON EACH BURGLARY.**

o SLO's & HOPE were proactive toward homeless encampments in the Hollywood Hills. PCU was active in the early morning hours and made arrests of suspects on probation or parole for property crimes.

o CAD tracked the arrestees and PCU followed up on "Where are they now" efforts.

o Next Door App was recommended, and home video systems encouraged by SLO's at Community Meetings.

- Extra Patrol Requests on vacationing residents were encouraged, flier campaigns utilizing Cadets were implemented.
- Active liaison with Commercial Crimes Division by Detectives TO SEE IF ANY Burglaries' were related to a series. Detectives worked also with Safe Detail at CCD.
- Strategies for 2018: Continue to be pro-active in intake training, have officers deployed in the Hills with SLO & Detective input will be a education and crime prevention.
- Night-watch Detective deployment 7 days go assist with in-Field Investigations
- Latent Print Priority Request to SID w Focus on Burglary
- Utilize the Neighborhood Councils email tree to reach home owners.
- & Finally
- Lt. Gabaldon has given TOP priority to the Burglary Table for PRINT Req at SID
